The Ontario Federation of Union Retirees is dedicated to the proposition that Ontario retirees, as free citizens, are entitled to their security and protection of their welfare and that of their families by all legitimate means.

This organization is founded to contribute to the realization of the legitimate aspirations of those who toil for a living and this Federation will pursue the cause of peace, freedom, and security for all peoples.

It will, at all times, hold true to the high ideals and principles of social justice on which the labour movement was founded.

This organization aims to unite retired members from unions affiliated with the Ontario Federation of Labour, the Canadian Labour Congress, and other organizations representing retired officers and staff of affiliated unions.

OFUR also aims to petition legislators for the introduction and enactment of legislation on measures to improve the health and welfare of all retired persons, consistent with the policies of the Ontario Federation of Labour, the Canadian Labour Congress, and the Congress of Union Retirees of Canada.
